Dear Ms. Salas,

As a resident of Nassau County, I'm writing because I oppose the Broadwater proposal. I believe that Broadwater would be too costly, risky and is not needed in the Sound. In addition, the constant armed private security would disrupt the peaceful, tranquil waters of the Sound. Furthermore, the facility will limit public access and will set a dangerous precedent of industrializing the Sound. Please respond in writing, and share with me your position in this matter.

Thank you,

Mrs. Kim Kelley
